

Steven Badger Quoted in SE Texas Record Regarding Another Texas Insurance Industry Trial Victory

July 19, 2016

Steven Badger, a partner in the Dallas office of Zelle, was quoted in an article titled “Insurer prevails against Speights & Worrlich at trial – price of industry victories impacting Texas Policyholders, says attorney” that was published on the *Southeast Texas Record* website.

Republic Lloyds is the latest insurer to come out on top after taking a civil suit all the way to trial, recently defeating a claim for underpayment.

Badger, who represents the commercial property insurance industry in significant risk exposure subrogation and coverage matters, said, “The insurance industry is winning the vast majority of these matters taken to trial. Juries across Texas are realizing that these lawsuits are not about insurance companies failing to pay for covered damage.”
