

Class Actions

PRACTICE CONTACTS

- James Robertson Martin
- Dan Millea

Zelle attorneys have represented classes of consumers, investors, and businesses and have also defended corporations in class actions in many areas of the law, including antitrust, securities fraud, financial services, consumer rights, unfair competition, unfair business practices, product liability, mass tort, property rights, and ERISA claims.

Our practice is unusual because we have a significant practice on both sides of the aisle. This experience gives us a unique perspective and insights on approaching cases. While a significant portion of our class action cases are part of multi-district litigation proceedings, we are also commonly involved in state court class actions across the country.
