

Financial Services Insurance Coverage

PRACTICE CONTACTS

- Lindsey Davis
- Dan Millea

Zelle has substantial experience litigating insurance coverage disputes between insurers and their financial service industry policyholders. In addition to the firm's established financial services practice, Zelle is nationally recognized as one of the preeminent insurance law firms. The combination of Zelle's in-depth knowledge of the financial services industry and our expertise in the insurance arena makes us uniquely positioned to handle the most challenging financial services insurance coverage matters.
