DEAR ROMANCE,

YOUR NEXT DATE STARTS AT THE DOCK.

Date-worthy small businesses near NYC Ferry landings.

Julia Jean's Ice Cream

At Julia Jean's, Upstate New York dairy becomes small-batch ice cream inspired by the flavors of childhood. Pick a nostalgic favorite and let exploring the Lower East Side provide the rest of the itinerary.

St Kilda Coffee

For the price of two coffees, claim a table at this Australian-inspired café and turn Midtown people-watching into the afternoon's entertainment.

Milkweed Studio

Inspired by the plant that nourishes monarchs before they take flight, Milkweed Studio invites couples to slow down over New York-roasted coffee and see where the conversation leads.

Electrix Vintage

Test your style compatibility at Electrix Vintage's fill-a-bag pop-up, where digging through the racks is half the fun. Fill your bag with as many vintage finds as you can fit for \$10. Plan a future date-night outfit at the next popup on 281 North 7th Street on October 10 and 11 from 11 a.m. to 7 p.m, then pay for your finds with Zelle®. 

Banana Pudding by Jaya

Pick up two cups of this family-recipe banana pudding for \$10 each and pay with Zelle®. Or save some money by buying one to share on a nearby stoop or park bench. 

The Last Place on Earth

Skip the small talk at this Williamsburg gaming spot and community hub. Get to know your date over childhood favorites or discover a new favorite together. 

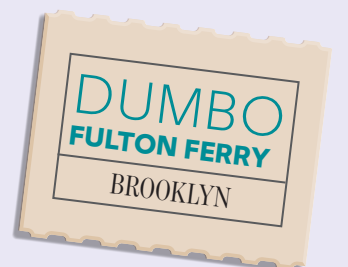

Delicioso Coco Helado

Cool down with a delicious frozen sorbet from Delicioso Co Co Helado. Pay \$8 for a half-gallon tub with Zelle®, grab two spoons and enjoy the refreshing treat together. 

Saint Street Cakes

A date doesn't need to be a birthday to include cake. Pick up something sweet, pay with Zelle® and turn an ordinary ferry outing into a tiny celebration for two. 

UES Petals

Start the date with flowers instead of saving them for the end: stop by this Upper East Side boutique and let your plus-one pick a few favorite blooms. Even better, pay with Zelle® and surprise each other with mini bouquets. 

Native Rose Coffee

Track down Native Rose at a Staten Island pop-up for the rom-com combination of coffee and flowers. With grab-and-go bouquets for just \$10, this mobile floral-and-coffee truck practically plans the date for you. Follow [@thenativerose.ny](https://www.instagram.com/thenativerose.ny) to see where they'll be next. 

BrickHouse Ceramic Art Center

Get your hands a little messy during a ceramics date at BrickHouse, where the activity doubles as a future keepsake or join in on an upcoming studio potlucks and art presentations to build community and expand your ceramic techniques.
